

Donation Guidelines

Myenvironment Inc is a registered not for profit organisation with deductible gift recipient status (DGR). Myenvironment's activities and projects must be aligned to its publicly stated objectives and will be monitored by the executive committee. Monies donated are held in a public fund and administered by the executive. The expenditure of monies from the public fund is subject to the requirements of the Department of Environment and Heritage and the Australian Tax Office. Myenvironment Inc's accounts are independently audited on an annual basis.

Donations made to Myenvironment Inc are accepted under the following conditions:

Donations are made without:

- expectation of receiving any material, commercial or financial benefit in return for the donation
- expectation of gaining influence over the purpose, policies or project directions of Myenvironment Inc on its executive or members.
- expectation of any outcome or repayment of the donation
- any political motivation or political outcome
- the donation being made by a person or company that is seen by the executive to be in conflict with the purpose of Myenvironment Inc

Receipts for donations will be given in strict compliance with guidelines issued by the Australian Taxation Office.

Under the proviso that the donor does not publicly claim involvement or responsibility for any outcomes of any project and at the discretion of the executive, Myenvironment Inc will liaise with donors on the conduct of campaigns and the strategic application of campaign funds.
